PRICE ADJUSTMENT

Docket No. R2013-10

NOTICE OF THE UNITED STATES POSTAL SERVICE
OF REVISIONS TO USPS-R2013-10/2 -- ERRATA
(October 29, 2013)

The Postal Service hereby provides notice of revisions to USPS-R2013-10/2, the Standard Mail workpapers. The revisions relate to minor price adjustments to address anomalies between 3.3 and 3.5 ounces in the rates for High Density Plus and Saturation Letters within Standard Mail. The revisions are described in more detail in the revised Preface within the folder, and in the separate notice of revisions being filed for the corresponding revisions to the Notice of Market Dominant Price Adjustments.

Revisions in USPS-R2013-10/2 are made to both the Preface and the Excel file. The changes in the Preface are explained at the end of the revised Preface. In the Excel file, the changed tabs are highlighted in yellow, and in those tabs, the changed cells are also highlighted in yellow.

A new CD is provided which contains both new files (Preface and Excel), and this disk completely replaces the original disk.

Respectfully submitted,
